

Scholarships Selection Department

Scholarships

Departmental Selection Committee of SGSB Scholarships : 5 committees constituted for the purpose of making fair and high qualified selection for initial appointment to posts under SGSB Business School.

SGSB's five committee constituted for recommending best qualified candidates from the entire learning program to the Appointing Authority for selection through initial appointment and promotion to the non-selection posts.

We believe bright minds deserve brilliant opportunities, which is why SGSB Business School as a private school offers the most generous scholarships in the country.

ICES

International Center of Education in Society

ICES works to pioneer effective programs for education, ICES finds the need to create quality Extracurricular Activities to serve communities. Because of that we invest a good portion of time in curriculum development. We aim to serve our network and the educational community.
